Round 1 – Cougar Point Golf Course

Thursday 10/17/24 (tee times 1:30 – 2:00 PM)

Following an extensive 10-month renovation in tandem with Gary Player Design, Cougar Point reopened on October 1, 2017 to rave reviews—winning over Kiawah Island golfers with its dramatic marsh vistas and superior playability. Whether you’ve played the old Cougar Point or have never stepped foot on its greens, this renovated course is a must-play at the resort.

Cougar Point’s short and long par-4s, great risk/reward 5s and extremely scenic and challenging par-3s demand that you approach your round with a smart strategy.

Round 3 – The Ocean Course: An American Icon

Saturday 10/19/24 (tee times 10:50 – 11:20 AM)

Join the ranks of avid golfers who have The Ocean Course at Kiawah Island Golf Resort on their must-play list for a true test of skill. Located on the eastern-most end of the island, The Ocean Course boasts the most seaside holes in the Northern Hemisphere with ten hugging the Atlantic and the other eight running parallel to those.

In fact, it's unlikely any other golf course in the world—outside the United Kingdom and Ireland—is affected as much by wind. From one round to the next, a player can experience up to an 8-club difference on holes depending upon the wind's direction and strength. Interesting fact: Because there are no prevailing winds on The Ocean Course, Dye designed two courses in one—one for an easterly and the other for a westerly wind.
